

AUCKLAND AND NORTHLAND AWARDS NIGHT

AUCKLAND'S OUTSTANDING PROJECT

Entry Form

Important Entry Information

This award recognises a display of excellence and high levels of innovative plumbing, gasfitting and drainlaying methods, the use of new materials, or the innovative use of existing materials.

Examples might include: the renovation and plumbing retrofit of a heritage building; the development of a building using renewable energy solutions; a challenging or interesting site; or the use of specialist technology to create excellent outcomes.

Criteria

- Entry is open to current members of Master Plumbers.
- The project will display excellence and high levels of innovative plumbing, gasfitting or drainlaying methods, the use of new materials or the innovative use of existing materials.

How to complete this form
